

PROGRAM OVERVIEW

BSPREP STUDENT AMBASSADOR

Join the movement to empower data science students everywhere.

What to Expect

This document outlines the role, responsibilities, and incredible rewards waiting for you as a BSPrep Student Ambassador.

BECOME A BSPREP AMBASSADOR

Are you passionate about education, data science, and helping your peers succeed? The BSPrep Student Ambassador Program is designed for motivated students who want to gain leadership experience, build their professional network, and earn exclusive rewards by representing BSPrep on their campus and online.

1 WHAT YOU WILL DO

As an Ambassador, you will have the flexibility to promote BSPrep in ways that play to your strengths. Your core responsibilities revolve around community building and digital advocacy.

1. Share & Refer

Help your peers discover a better way to prepare for exams.

- **Unique Referral Code:** You will receive a personalized code to share with your classmates and study groups.
- **Earn Automatically:** Every time a student signs up using your code, you automatically earn points toward your rewards.

2. Digital Advocacy & Social Media

Build your personal brand while spreading the word.

- **LinkedIn Updates:** Share your journey, post your offer letter, and highlight your achievements to your professional network.
- **Social Engagement:** Interact with BSPrep on X (Twitter), Instagram, and YouTube.
- **Content Creation:** Write articles about your study hacks, create relatable student memes, or record short video testimonials.

3. Campus Leadership

Be the official face of BSPrep at your college.

- **Host Sessions:** Organize brief workshops or peer-to-peer study sessions utilizing BSPrep resources.
- **Feedback Loop:** Collect feedback from your peers and directly influence the future features of the BSPrep platform.

2 WHAT YOU WILL GET

Every task, referral, and social media post earns you **Points**. As you accumulate points, you unlock increasingly valuable rewards designed to boost your student life and future career.
